DETAILED ACTION

1. This Action is in response to Applicant's amendment filed on 04/17/2009. Claims 1-17, 19-35, and 37-42 are now pending the present application.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael J. McGovern on 6/30/2009.

3. The application has been amended as follows:

IN THE CLAIMS

42. (Cancelled)

Allowable Subject Matter

4. Claims 1-17, 19-35 and 37-41 are allowed.
5. The following is an examiner's statement of reasons for allowance: Consider independent claims 1, 19 and 37, the prior art of records disclose a telecommunications system comprising a message-enabled device, a distributor and a gateway. The prior art of records also disclose the message-enabled signals the gateway about an intended called party and the gateway connects both the calling party and the called party to avoid paying roaming charges.

However, after the amendments to the claims, applicant's remarks have been considered and found to be persuasive. In agreement with the applicant's remarks, the prior arts failed to disclose *the communication device activates a fake ring-tone when the message is being received by the gateway so that the user is made to feel that the destination telephone is being dialed in a conventional way; and wherein the communication device activates the fake ring-tone during a sequence in which the gateway hangs up on the communication device, calls back the communication device and then places the call to the destination telephone.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
